HARRY WINSTON

SECRETS COLLECTION

When the House of Harry Winston unveils a new diamond collection, entitled ‘Secrets,’ infused with an element of magic and mystery, it is clearly something worth discovering.

Harry Winston’s biggest secret, perhaps, was his own identity. An ironclad clause in his insurance policy, forbade the jeweler from ever showing his face to the public. His name thus came to be recognized for the extraordinary jewels crafted by his jewelry house.

Crafted in platinum with the finest of diamonds, the 29 pieces of brilliant and beautiful jewels carry on the legacy of its founder, Harry Winston, a man of many marvelous secrets – from the diamonds he carried hidden in his pockets; to the private vault concealed within his office walls. The series of new fine jewelry are informed by Harry Winston’s magical mystique, while mirroring the craftsmanship and design that the brand embodies.

The ‘Secrets’ collection takes you on a voyage of wonderment through its three distinctly different themes – Secret Wonder, Secret Cluster and Secret Combination. The moment you catch a glimpse of the jewels,

you realize that behind the shimmer of the resplendent gems, there lies a secretive world.

The house’s most iconic motif – the Winston Cluster – takes center-stage in Secret Cluster, revealing delightful surprises: a delicate perfume bottle hidden within an intricate web of pavé diamonds; a precious locket concealed beneath a bouquet of round, pear, and marquise-shaped stones, and an emerald stashed behind a sculptural cluster bracelet.

The Secret Wonder, on the other hand, features exquisite medallions, meticulously set with a starburst of round and pear-shaped diamonds. Rotate it gently and you see a symphony of sapphires, diamonds and aquamarines hidden on the other side. The Secret Combination, the third in the series, is all about bracelets and necklaces – sparkling rows of detachable strands adorned with fancy-cut diamonds that can be worn in myriad styles. And do we love these bejeweled secrets? Absolutely.

The collection is available exclusively at Harry Winston salons worldwide. | Photos courtesy of Harry Winston | Written by Smitha Sadanandan.
