

BAG IT!

There are so many great bags this season that it's hard to pick a winner. To make things easy for those on the go, FRAMES has made a list of bags that are wardrobe worthy.

A bag that's stylish and practical. What more can a woman want? Add to it a liberal dollop of glamour and some fun factor, and it will be swept off the shelf in 60 seconds. Here are some bags we think are worth snapping up.
