

## Glam it Up

Lazare Diamonds has recently unveiled its latest offering in the RollerGlam series. This stunning bangle features two open-ended bands adorned with a RollerGlam element at each end, as though embracing one another. The highlight is the cylindrical tube, a segment of which is open, revealing a Lazare solitaire in a tension setting. [www.lazarediamonds.com](http://www.lazarediamonds.com)

## WOVEN WITH PRECISION

Dior went back to basics for a timely tribute to Monsieur Dior. For its 70th anniversary, the House launched the exquisite *Dior VIII Montaigne Tissage Precieux* timepieces inspired by Dior's textile weaves from its ready-to-wear creations — cannage, herringbone, and houndstooth. The three exclusive models, each in a limited edition of eight pieces, feature gold dials adorned with gold threads and diamonds, and a herringbone patterned ribbon strap. ## CULTURED ELEGANCE

Japanese pearl jeweller Mikimoto launched its latest line, M Collection, inspired by the letter 'M' in the brand's name. The collection features elegant earrings, rings, and pendants in lustrous white South Sea cultured pearls and diamonds. In the new campaign by noted French photographer Eric Guillemain, Hungarian supermodel Eniko Mihalik personifies the elegance of the M Collection pieces. [www.mikimoto.sg](http://www.mikimoto.sg)

## Ode to Indigo

When scientists genetically engineered the world's first blue chrysanthemum, Victor Mayer decided to commemorate this milestone with a new jewellery collection. These limited-edition Chrysanthemum Collection earrings in 18K white gold feature indigo fire enamel in blue and hand-engraved guilloche and accented with 12 diamonds. ## Flutter, Flatter

New York-based jewellery designer Moritz Glik soaks up diverse inspirations for his creations. His signature style brings to mind the kaleidoscope. Capturing loose diamonds and coloured gems in sapphire crystal cases, Glik crafts playful designs. This transformable dragonfly pendant-brooch features 1.20ct diamonds enclosed in double white sapphires and set in 18K yellow gold.

## DUAL CHARMS

Jaeger-LeCoultre's new interpretation of the *Reverso One Duetto Jewelry* watch is an elegant wrist candy. Drawing upon Art Deco inspirations, the brand brings forth a feminine aesthetic to the rectangular dial and lozenge pattern in this pink gold and diamond timepiece. With a Bali mother-of-pearl dial, this reversible model features three emblematic gadroons.

## Captured Beauty

Palmiero Jewellery Design's Captured Stones collection is a "creative pretext" to throw the spotlight on large, precious stones and bring them alive through encircling sculptures. This pair of captured earrings in white gold is an ode to the beauty of fire opals set against a stage made of white diamonds. [www.palmierogielli.com](http://www.palmierogielli.com)

## POETIC APPEAL

As an ode to Gabrielle Chanel, the maison has launched the *Mademoiselle Prive Decor Aubazine* jewellery watches, limited to five pieces per design. Chanel, who grew up in the Aubazine village, spent six years in the orphanage. Inspired by the Romanesque aesthetics of the Aubazine Abbey, the dial — paved with brilliant- and baguette-cut diamonds — features motifs that evoke its stained glass windows. ## TIMELESS & ICONIC

Though Louis Vuitton's latest horology offering embraces technology, it remains faithful to the founder's spirit. The *Tambour Horizon* smart watch, inspired by its iconic timepiece from 2002, is ideal for the contemporary traveller. Featuring a distinctive concave bezel of the Swiss manufacturer's *Tambour Moon* design, the collection is available in graphite, monogram, or black. The *Tambour Horizon* is both trendy and versatile with 60 readily detachable straps. [www.louisvuitton.com](http://www.louisvuitton.com)

## A Shower of Colours

Damiani presents a cheerful inspiration from the sky. Aptly called the *Damiani Rainbow*, this statement necklace features clusters of multi-coloured drop-shaped sapphires huddling together like a rainbow. As if blown by the wind, the same colourful shower of stones is seen echoing through the design of the pendant earrings.

## RED CARPET APPROPRIATE

Chinese actress and Chanel ambassador Zhou Xun looked radiant at the opening ceremony of the 20th Shanghai International Film Festival in Chanel jewellery. She aptly paired her sparkly silver gown with *Épi de Blé* earrings and *Bouquet de Blé* bracelet, both from Chanel. [www.chanel.com](http://www.chanel.com)

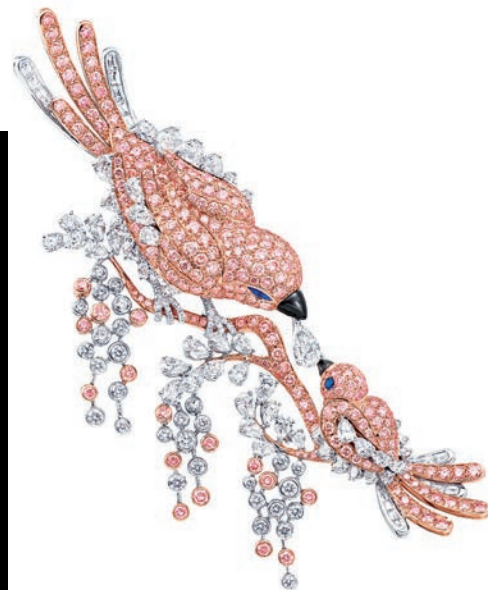

## A MILESTONE TO WATCH

*Lady Fope*, the first Swiss-made watch with a quartz movement and Flex'it bracelet, is luxuriously minimal, and marks a great milestone for Italian Jewellery brand Fope. The new line, featuring individual serial numbers engraved on the case cover, is designed for contemporary women. The five variants — three in rose gold and two in white gold — feature diamond-embellished cases. [www.fope.com](http://www.fope.com)

## DEEP BLUE BEAUTY

Milanese jeweller Scavia is noted for its artisanal expertise. Designed by Fulvio Maria Scavia, the *Isabeau Paraiba* ring captures the essence and aesthetics of the brand. The 4.22ct Brazilian Paraiba shimmers in a cushion-shape-modified brilliant-cut on a diamond-embellished shank that upholds two pear-cut diamonds. [www.scavia.it](http://www.scavia.it)

## Flight of Fancy

Worn by noblemen, aristocracy, and royalty, brooches have evolved and maintained their allure throughout the ages. Graff Diamonds pushes the boundaries of its brooch aesthetic with figurative bird brooches. This delightful Pink Bird Brooch is crafted in gold and set with pink and white diamonds, totaling 23.63 carats.
