

RENDEZ-VOUS IN VENICE

Italian actress and long-time ambassador for Jaeger-LeCoultre Cristiana Capotondi attended the Venice Film Festival in a blue Miu Miu gown and accessorised her wrist with a jewellery watch from the Swiss watchmaker. Capotondi wore a *Rendez-Vous Secret* watch encrusted with diamonds and sapphires to the premiere.

Deep Blue Passion

Chanel's new *Flying Cloud* high jewellery — designed as an homage to Mademoiselle Chanel's love of the sea — is replete with maritime motifs. An ultimate indulgence, the *Deep Blue* bracelet from the collection, crafted in 18K white gold, is set with 55 oval-cut blue sapphires and adorned with 1,175 brilliant-cut diamonds.

GOLDEN MILESTONE

For its 50th anniversary, Larry Jewelry unveiled a bouquet of 50 jewels, each inspired by a woman's transformative role and her strong desire to celebrate her individuality. The Swirling Deep Blue Collection is inspired by the mysterious nature of a woman. Deep blue sapphires and emerald-cut diamonds embellish the statement necklace, while two extraordinary sapphires dangling from each end add drama to the piece.

ODE TO DOMES

The Archt Collection by De Gem is a reflection of timeless patterns transformed into wearable luxury. The Azure Opulence series sets the stage for spectacular tanzanites, drawing upon arches and domes for inspiration. The cocktail ring features a sugar loaf-cut tanzanite surrounded by brilliant diamonds, sparkling sapphires, and stunning emeralds.
