Exquisite Crystals

Crystals have always captivated people with their value and mystique going beyond their beauty. Stunning designs from Orrefors, Kosta Boda, Nambe, Swarovski, Wedgewood, Schott Zwiesel, Waterford, Baccarat, Orient & Flume, Liuli and Lalique, among others, are great picks for any crystal enthusiast. Ideal for the dining table, mantelpiece or the study table, the exquisite figurines and accessories from Swarovski, Kosta Boda, Lalique and Liuli also make wonderful gift ideas. Be it a butterfly collection, birds, animals or fruits, each has a unique charm.

Options Galore

Starting a crystal collection is easy. Visit the stores or look up the official websites of international brands; they offer myriad collectibles. See what you'd like to buy – perhaps you could start by collecting figurines on a specific theme like animals or musical instruments, or opt for the works of major artists who design for these brands. In fact, most of the coveted brands have exclusive clubs that offer members access to limited edition crystals, making it a great investment.
